Pride of Strasburg Recognition

Every community has them... the selfless, caring individuals who work to improve the lives of others. They don't do it for praise, they don't do it for glory, they do it because they care.

The Town of Strasburg wants to honor individuals, businesses, groups, and organizations who have given something back to our community. We want people of the Strasburg community to come forward with suggestions for individuals or groups worthy of recognition. The nomination can be for anything that you feel is worth recognizing. The honorees will be recognized at the monthly Town Council meetings, which are held on the second Tuesday of each month at 7:30 p.m.

Please complete the form below and submit it to the Town Office. Someone from the Town Office will contact the nominating person and the individuals or groups being recognized. If you have any questions, feel free to contact the Town Office at 540-465-9673.
